Event Name: UB Women's Club Ice Hockey Ice Slots

Event Start date and time 02/03/2023 12:15 PM

Event End date and time 02/28/2023 12:00 AM

Event Description Practice and Game slots. Practices are \$160.00 each for an hour. These take place Tuesday and Thursday mornings 6–7 am. Game slots are \$575.00 per slot, they are 2 1/2-hour slots. Both take place at the Northtown Center at Amherst.

Benefits of the event to UB undergraduates: The female members of our team also appreciate being able to play the sport they love and pursue academic careers at the same time. Personally, I find that playing hockey allows me to let off most of my stress. I have no doubt that many other members of the team feel the same way. The majority of us have also played hockey competitively our entire lives, so continuing that activity throughout our time as undergraduates keeps us fit, active, and excited to keep playing ice hockey.

Along those lines, we have a number of players that played in division schools before transferring to UB. Some of our players lost their passion for ice hockey as a result of those division schools and left the team. They came to check our team out as soon as they learned UB had a team. Those players fell in love with the game again a few months later. Our club hockey squad is challenging yet enjoyable. We prioritize our studies, and for most girls, this team is just a fun extracurricular activity.

Helping to obtain this funding will significantly minimize the amount of money each girl must pay. By keeping this number modest, the team will be able to expand as additional females join in the future.

Purpose of event: For the female members of our team to play ice hockey while completing their undergraduate degree.
